EMPOWERING TOMORROW'S WORKFORCE

Established in 1945, the Greater Phoenix Urban League, Inc is a civil rights, social service, private 501c3 organization. The Greater Phoenix Urban League supports minority families and underserved populations by providing connections to employment, housing, health care, education, civic engagement, and advocacy.

ABOUT SYEP

The Summer Youth Employment Program (SYEP), provides youth across Maricopa County, aged 16 -21, with 20 hours a week of paid hands-on work experience for 4 weeks. In addition, participants will complete 30 hours of career readiness training with the Greater Phoenix Urban League Staff.

Professional Internship provides a platform for professional growth and development for high school seniors and young adults aged 18 to 21. Participants will earn \$15 per hour and are eligible for a \$500 completion bonus.

Summer Job Experience is open to individuals aged 16 to 21 and offers practical work experience for in-demand industry jobs. Participants will earn \$15 per hour and are eligible for a \$500 completion bonus.

SELECTION PROCESS

Participants are selected via random lottery. Applications from underserved youth will be prioritized. There will be more than one lottery to ensure that all seats in the program are filled.

WHY BECOME A WORKSITE?

Cost-Free Participation: Hosting interns or apprentices comes at no financial cost to your organization

Risk-Free Involvement: Each participant is under the coverage of our worker's compensation insurance in the event of on-site injuries

Increase Productivity: Participants can take on meaningful tasks and projects.

Support Arizona's 60% Attainment Goal: Your company will contribute to the community's economic and social development in Arizona by providing valuable work experience to the youth.
